

OPE VOLUNTEER OPPORTUNITIES

At Overton Park Elementary, we welcome and encourage our parents to join our school community and volunteer. Whether you're a longtime OPE parent or stepping through our doors for the very first time, your time, talents, and support make a lasting impact on our students and teachers.

How to Get Involved

It's Easy—Just Sign Up!

Throughout the school year, you'll find plenty of ways to get involved and contribute your time and skills.

Volunteer sign-up links are shared through:

The PTA Website

School-wide E-blasts

Our OPE Parent Facebook Pages

Room Rep Emails and Texts

There's almost always a way to help—both during the school day and in the evenings. From classroom assistance to event support, and beyond! Every hour you give helps our school thrive.

REQUIREMENTS

All volunteers are required to submit a background check with FWISD prior to volunteering.
